

COMMUNITY YOUTH SPORTS

Heart Screening

WHO WE PLAY FOR

Sudden cardiac arrest is the leading cause of death in young athletes. A heart screening can help detect hidden heart conditions and save young lives.

FLORIDA'S SECOND CHANCE ACT
Every Screen. Every Athlete. Every Chance.

MONDAY, JUNE 1

THE PLAYERS CENTER FOR CHILD HEALTH
3563 Philips Hwy; Suite 502
Jacksonville, FL 32207

5:00 – 7:30 PM

PREREGISTRATION IS REQUIRED.

Scan the QR code to secure your child's spot today!

SAFE & NON-INVASIVE
Quick and painless screening.

EARLY DETECTION CAN SAVE LIVES
Help protect your young athlete.

NEW FLORIDA HIGH SCHOOL POLICY
Requires all incoming high school student athletes to have an ECG.

LOW COST TO FAMILIES
Donations help offset costs.

SUSTAINING PARTNERS

EARLY DETECTION CAN SAVE LIVES. Let's keep our young athletes healthy, safe, and in the game.
